

Non-Profit Distributing - Asset Locked

Profit Distributing

- 1) 1,500 are trading in some capacity - accounting for 30% of social enterprises (SEs) in Scotland.
- 2) There are 24,000 charities in Scotland. 67% of SEs are registered charities (approx 3,400 orgs).
- 3) Other SE structures include Housing Assocs. (160); Credit Unions (107); Community Businesses; and Community Co-Ops.
- 4) There were 407 Scottish CICs (270 CICs by Guarantee/137 CICs by Shares). 5% & 3% respectively of Scottish SEs.
Some CICs by Shares have a charity as the shareholders - others have adopted an 'asset lock' in their articles - whilst others are made up of private individuals. The first two models are social enterprises.
- 5) Scottish SRB numbers are unknown. They include mission-locked; B.Corps; Employee Owned Co-Ops; CICs by Shares.
- 6) CSR is mainly undertaken by large corporate structures as a way of ameliorating the social, economic & environmental impact of the business.
